

**We always get rave reviews on our two rental homes and we attribute that all to Love Leavenworth. They are always on top of it with fast and professional communication with the guests. They keep us up to date on home maintenance and upkeep. They make finances and taxes a breeze. They respond to issues onsite within minutes. They have a large enough team and network that everything always gets done and we don't have to worry about a thing! We couldn't be happier with Love Leavenworth.**

**Just wanted to pass on a note to let you know how much Shannon and I have appreciated the work and effort you have put forth at our place. It has been really easy working with everyone on the team and it is evident that you are well coordinated on your side.**

**Specifically, all the little repairs have made a big difference (even the front slider is fixed), the place feels clean and organized when you enter (even the kitchen cabinets are organized) and the additional information provided throughout is a nice touch.**

**We were at our wits-end in some respects before we switched to you at the beginning of the year and were wondering if we could successfully keep renting our place. It feels good to have confidence again that the people that are managing it show the same level of investment that we feel in it.**

**This beloved Lake Wenatchee cabin was built by my father some 40 years ago. First of all, the family would likely not be able to keep the cabin without the help and management of Lori, Sean, and all the wonderful staff at Love Leavenworth. They treat the cabin as if it were their own, taking care of maintenance and repair needs as issues arise in a professional and timely manner always keeping in mind the need to keep costs at a minimum. Recently Love Leavenworth coordinated a needed remodel/upgrade, including finding contractors, taking bids, ordering supplies and materials. All taken care of with little input from us. And may I add the Love Leavenworth staff is always available to us for every need that arises.**

**As owners of a rental cabin in Leavenworth, we consider ourselves extremely fortunate to have begun working with the folks at Love Leavenworth Vacation Rentals. We have been working with Love Leavenworth for well over a year now and the relationship is thriving. We could not be more pleased with the outcome to date. Because it is a local company Love Leavenworth knows Leavenworth, they know the rental market, they know all about responsiveness and they know everything from A-Z about property care. Last but certainly not least they understand what it takes to make a rental a success. We could not be happier with the staff at Love Leavenworth that make this relationship so easy, fun, and lucrative. If you have a property in the Leavenworth or Plain area and you are considering putting your home in the vacation rental pool do yourself a favor and speak with the great folks at Love Leavenworth.**
